Notice of Allowance

This is the Notice of Allowance for application number 09/909,423 Decorative Gift Bag Balloon Holder, filed on 7/19/01. Claims 1-3, 8, 9, 14, 17, 18, 20, 23 and 24 are allowed.

This amendment filed under Rule 116, was filed after examiner's answer, on 6/24/04, canceling claims and rewriting dependent claims into independent form and will be entered by examiner's amendment below.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claim 17, line 7, after "display" , said decorative bag having handles extending from an upper portion thereof to serve as an attachment for a string of one or more balloons, the upper portions of said handles being secured together. has been added.

In claim 20, line 5, after "decorative bag" , said decorative bag having handles extending from an upper portion thereof to serve as an attachment for a string

of one or more balloons, the upper portions of said handles being secured together.
has been added.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach a decorative balloon holder having the handles extending from the upper portion of the bag which are secured together. Also the prior art does not show where the core is formed of a compressed sand held by adhesive or a sand, cement and water mixture. The reference to Metz shows the balloon holder (10) being filled with loose sand or ballast.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
